BIO

Jeff Sanon is a triple-threat: rapper, songwriter, record producer, with roots in Montreal and Ottawa, Canada.

Having started making music at the age of eight, Sanon has created a unique style that combines the intensity of traditional hip-hop with the smooth romanticism of soulful R&B. It's a style that allows Jeff Sanon to take a look within himself as well as the world around him, and has established him as one of the most exciting up-and-coming hip-hop artists in North America.

PRODUCERS ROUNDTABLE

Jeff Sanon will be participating as a panelist in the Producers Roundtable on Saturday, June 25 at Snider Plaza at 1:15 p.m.
